

Merchants Research Portal

Timber Straddler Outside The Harkness & Hiller Factory, Annandale Australia

Introduction

Merchant, a merchant is a business person who trades in commodities produced by other people in order to earn a profit. The status of the merchant has varied during different periods of history and among different societies. Merchants have often been the subject of works of art.

Welcome to the Merchant category. Please use this category for your research projects pertaining to "merchants" or otherwise "retailers". For example you may want to create a page about a retailer and how that retailer was established, when they opened their doors, sales volume, history of, and much more.

Name all files and images appropriately before uploading to our server. Image and files that contain arbitrary titles or naming conventions will be removed from this wiki.

Create

Create a project in the Merchants category by clicking on the button below to be taken to the convenient "Merchants" form. Once your Merchant page is created, please add your page to the "Merchant" category under the "Category" tab while in editing mode.
